THE IDEALS OF CLUB MEMBERSHIP

The enjoyment of Golf depends a great deal on the co-operation, consideration and courtesy extended by fellow competitors.

What is true of the game also applies to Club Membership. The spirit and image of a Golf Club is projected by the way fellow members show respect, courtesy and consideration for one another.

This courtesy and consideration should extend to the choice of dress generally, and the standard of conduct on the course and in the Clubhouse.

AIMS OF THE COOLANGATTA & TWEED HEADS GOLF CLUB

- To promote and foster the game of golf.
- To provide and maintain a golfing complex befitting international standards.
- To make welcome all members of reciprocal and affiliated Golf Clubs and whenever and wherever possible, provide opportunities for a game of golf to other golfing visitors.
- To protect and foster all flora and fauna on our 101 hectare property which has not only been dedicated as a Golf Course but as a Wildlife Sanctuary as well.

The rules of golf and the local rules of the Club are the rules of play.

The Match Committee's decision in all competitions is final.

A member may invite 3 guests to participate in the Club competition in his or her company at the appropriate concession fee. This also applies to Social golf.

Any one guest may only play eight times in any calendar year at the concession fee.

2. All categories of Membership must be made available to men and women.
3. Any man who wishes to become an affiliated golfer MUST affiliate through a relevant golf association pursuant to the clubs constitution.
4. Any women who wish to become an affiliated golfer MUST affiliate through a relevant golf association pursuant to the club's constitution.

Players should report to the starter at least 15 minutes before time of play.

All competitors must be at the tee ready to hit off at their appointed time. Failure to comply could invoke Rule 6-3.

COMPETITONS AND HANDICAPS

NOTICE BOARD:

Members should look at the Notice Boards before starting play as all players are deemed to be aware of all notices, local rules and any changes of handicaps.

CAPTAIN OF MATCH:

The lowest marker is Captain of each match and should see that all points of etiquette are observed, that the match keeps its expected place in the field (judged by the distance of the match in front rather than the match behind), and that each player in the match repairs divots and plug marks on greens, carries a sand bucket for divot repairs and smoothes bunkers following play therein.

NUMBER OF HOLES IN AN EVENT:

All events are over 18 holes unless otherwise stated.

VISITING MEMBERS:

Members of recognised Golf Clubs on application to play in Club Competitions (either on their own initiative or as the guest of a member), must produce evidence of full membership and current handicap of their home Club. Failure to do so could forfeit any claims to the award of any trophy that their match result may otherwise have won.

Members not handicapped at Coolangatta & Tweed Heads must put their Handicap & Club on their card and produce evidence of their handicap.

RETURN OF CARDS:

All competition cards must be signed by the marker of the card, and the player, and scores must be entered into the Scorecard Computer located outside the Pro Shop. Scorecards must also be placed in the appropriate box as players leave the course. Players failing to enter scores in computer and placing cards in the correct boxes will not be deemed eligible for awards for which their card may have qualified.

NON-COMPETITORS:

On days when competitions arranged by the Match Committee are played, any member not taking part can play only when and where directed by the Starter.

COUNTBACKS:

The following methods shall be used in count backs for determining a winner where total scores are equal.

18 HOLE EVENTS:

The best score for the last nine holes on the card shall be used. If there is still a tie, the last six holes shall be used and, if still tied, the last three holes shall be used. If a tie still persists then hole by hole scores shall be taken from the 18th hole.

27, 36, 54 and 72 Hole Events:

The last 18 holes shall be used and if still tied, the count back as in 18 holes shall be used unless determined otherwise by the Match Committee prior to the event.

GRADES:

The three competitions graded are grouped from the following handicaps or otherwise altered by the Match Committee:

Men

“A” Grade: Scratch to 12

“B” Grade: 13 to 19

“C” Grade: 20 to 36

Women

Division 1 0 - 20

Division 2 21 - 29

Division 3 30 - 45

HANDICAP REVISIONS:

To assist the Handicap committee with record keeping and to ensure completeness of computer records for the purpose of handicap revisions and correctness, members are to return their cards in respect to each completed round of golf.

Additionally, all cards are to bear the member's badge number in the space provided.

Players failing to return cards violate the GA Handicapping System and may have their handicaps removed.
